With all the talk about Square™ in the news lately, it is easy to follow the trend or you can take a look at all the facts below and decide for yourself. RBFCU Mobile Promotion is the better mobile processing solution for REAL businesses.

	RBFCU Mobile Promotion	Square™
PROGRAM DETAILS		
Receiving Your Money	Account stability with an FDIC insurance account, no unnecessary holding of funds, merchant accounts funded in 1-3 business days (next day funding available).	Funds are held for an undetermined amount of time for large transactions. Quicker deposit times cost 1.00% and are limited to \$2,500.
Pricing	2.75% swipe and 3.35% for keyed and manually entered transactions.	2.75% for swiped and 3.50% for manually entered transactions.
Customer Support	A dedicated relationship manager will provide concierge service, superior levels of 24/7 customer service via toll-free phone support.	Email only customer support. Phone number directs all questions to the website.
Card Reader	A single PCI-Validated EMV card reader that works securely and seamlessly with your Apple or Android phone.	Need two encrypted card readers that work with Apple and Android products: one for chip and one for swipe.
Personal Information	All customer information is kept secure and private.	Square™ may sell your personal information to 3rd parties according to their terms.
Benefit of a Merchant Account	Personalized merchant account provides extra security, a direct relationship and control over taking payments, no delays in receiving funds.	With aggregated accounts, support and security are not the focus of the aggregators. No direct relationship.

*Please see reverse side for pricing structure.
