

Simplify Payment Processing and Accelerate Growth

Randolph-Brooks Federal Credit Union (RBFCU) has partnered with NewtekOne to offer our members game-changing payment solutions. As one of the largest payment processors in the nation, Newtek Payments processes billions in payments each year with solutions designed to drive bottom-line growth.

When you partner with NewtekOne, you'll receive more features compared to leading competitors at cost savings, AND personalized customer support.

Newtek Payments Solutions Offers:

- **Payment Systems**
Seamlessly handles payments, payroll, e-commerce, and more, so you can focus on growing your business
- **Instant Merchant Accounts**
Start accepting payments in as little as 7 minutes
- **Mobile Payments**
Accept payments right from your smartphone for greater convenience and control
- **E-commerce Integration**
Sell online in no time with an all-in-one solution that offers industry-leading security, and the highest level of single-contact support
- **Reporting & Accounting**
Unlimited integrations and detailed reporting through a web-based dashboard that saves time and increases efficiency
- **Zero-Cost Processing**
Reduce your payment processing rate to as little as \$0
- **Security & PCI Compliance**
Leverage protection programs that keep your business compliant and your customer data secure
