## How We Calculate Your Balance

We use a method called "average daily balance (including new purchases)." See the terms and conditions of your credit card agreement for more details.

## Billing Rights:

Information on your rights to dispute transactions and how to exercise those rights is provided in your credit card agreement.

## Security Interest Specific for Credit Cards:

If you are approved for a credit card, you acknowledge and pledge, specifically as a condition of your use of the credit card, that you have voluntarily granted Randolph-Brooks Federal Credit Union (RBFCU) a security interest in all of your individual and joint share accounts at RBFCU. If your credit card loan becomes delinquent, this security interest may be used without further notice to pay all or part of such delinquency. This security interest does not apply to shares in an Individual Retirement Account.
