RBFCU Board of Directors Election

Members at least 18 years of age on or before March 24, 2026 (date of Annual Membership Meeting) may participate between now and the Annual Meeting in nominating and voting for election of members to fill Board of Directors vacancies.

The nomination and election procedures prescribed by RBFCU's bylaws are:

Nomination Procedures

Subject to the following conditions, members may be nominated by committee, by petition, and by voice from the floor at the Annual Membership Meeting.

- a. The Board Chair appoints a committee to nominate at least one member for each vacancy.
- b. Nominations by petition must be signed by at least 500 members who are eligible to vote. Each petition may contain the name of only one nominee. No member may sign a petition by proxy or other device.

Each petition must be accompanied by (1) a certificate from the nominee stating his or her agreement to serve if elected; and (2) a statement of qualification and biographical data. Nominations by petition must be filed with the Board Secretary no later than November 30, 2025.

- c. Nominations from the floor at the Annual Meeting are permitted only when nominations by other means provide fewer than one nominee for each position or when circumstances prevent the candidacy of a member previously nominated by committee or petition. In this event, only those positions without a nominee shall be subject to nomination from the floor.

Election Procedures

If committee and petition nominations collectively result in more than one nominee for each vacancy, the elections will be conducted by mail balloting and determined by plurality vote.

If valid nominations by all methods result in only one candidate or fewer for each vacancy, all such nominees will be considered elected by general consent.

Vacancies

There will be three vacancies each with three-year terms.
