

LET US HELP YOU SECURE YOUR PAYMENT PROCESSING!

This special offer will provide you with a **FREE** EMV capable terminal which is ApplePay™ enabled.

NEWTEK OFFERS:

- 
 A replacement piece of equipment should yours at any time stop operating. This is sent overnight to your location, fully programmed to minimize down time. (Limit of one replacement per calendar year.)
- 
 Up to 3 free rolls of paper per month
- 
 25% discount on any supplies you order
- 
 Enrollment in on-line reporting giving you secure access to your account via the web

That is not all, we will also include **1 year of our Data Breach Protection Program and our PCI Program!**

This is a savings of \$167!

Newtek's program, partnered with Trustwave, will provide you with access to a suite of PCI compliance tools, including the self-assessment questionnaire, sample security policies, security awareness training, and website scanning, if required.

In addition, the Data Breach Protection Program protects your account up to a maximum of \$100,000 and there is **NO deductible!**

*Minimum estimated processing volume required for this special offer.
