## Important Information About Procedures for Opening a New Account

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person (businesses and individuals) who opens any financial transaction account(s) including deposits, loans and safe deposit boxes.

## What This Means for You

When you open any financial transaction account, we will ask for your name, address (mailing and physical, if different), date of birth and other information that will allow us to identify you. We will also ask to see your driver's license or other identifying documents.

**In all cases, protection of our member's identity and confidentiality is our pledge to you.**
